COLORS ON THIS PAGE ARE TO BE USED FOR REFERENCE ONLY NOT FOR COLOR ACCURACY

Paint Protection Products protect the leading edge of your vehicle from damage caused by rocks,gravel, salt or insects through the application of a thin and virtually invisible urethane film. Our Paint Protection Film is a rugged clear Urethane plastic employing a clear-coat finish for maximum shine. This durable material has been used successfully for years by the military, various auto manufacturers, and NASCAR race teams in rock chip prone areas with incredible results.

PPF TOOLS

CLEANER INSTRUCTIONS

Wrap Care Matte & Gloss Cleaner is easy to use and a fast acting cleaner for all wrap surfaces. Cleans and helps protect your valuable wrap surfaces.

- For light and heavy duty cleaning (dirt, grease, oils, finger prints, dust and more)
- Easy Spray and wipe technology
- Matte retains the same clean look
- Gloss will look more enhanced
- Leaves a replenishing protectant sealant on surface
- No Petroleum Solvents/No VOCs/ No listed Hazardous Materials
- Formulated with materials to act and react with other - CroftgateUSA Wrap Care products

HOW TO USE:

- Always use with clean twice folded Microfiber towels.

STEP 1: Spray onto a twice-folded microfiber towel to presoak the towel surface.

STEP 2: Spray onto an area of wrap to be cleaned and wipe area with presoaked microfiber towel.

STEP 3: Use second clean microfiber towel to lightly buff surface dry Repeat Steps 1 through 3 until all sections are sealed.

** For heavier than normal surface dirt/dust/grease/finger prints, spray a heavier amount on area to be cleaned.*

CLICK HERE FOR VIDEO INSTRUCTIONS

SEALANT INSTRUCTIONS

Wrap Care Matte & Gloss Sealant is an easy to use, Water Based technology to seal and protect your wrap.

- Easy spray and wipe technology
- One Sealant for both Matte & Glos
- Matte & Gloss retain their same look
- Helps provide long term wrap protection
- No Petroleum Solvents/No VOCs/ No listed Hazardous Materials
- Formulated with materials to act and react with other Croftgateusa Wrap Care products

HOW TO USE:

- Always use with clean twice folded Microfiber towels.
- Use on just cleaned wrap surfaces (CroftgateUSA Matte & Gloss)
- Do not use on hot surface. If wrap surface is hot, allow it to cool down before using Wrap Care Matte & Gloss Sealant.

STEP 1: Spray Sealant onto a twice-folded microfiber towel to presoak the towel surface.

STEP 2: Spray Sealant onto one panel at a time and rub with presoaked microfiber towel.

STEP 3: Use second clean microfiber towel to lightly buff surface. Repeat Steps 1 through 3 until all sections are sealed.

GRAPHICS & STRIPING | INDEX

Our line of 2-mil cast vinyl roll stripe films offer unmatched quality for superior outdoor durability. Engineered for the most demanding OEM automotive standards as well as the RV and Marine industry. Formulated to provide superior adhesion and compatibility with today's paint systems.

Opaque Cast Roll Stripe Films: Premium grade high gloss vinyl. Specifically designed for transportation, architectural and signage applications.

Metallic Cast Roll Stripe Films: Premium grade high gloss metallic vinyl. Specifically designed for transportation, architectural and signage applications.

Ultra Metallic Cast Roll Stripe Films: Premium grade high gloss ultra metallic vinyl. Specifically designed for accent striping.

Reflective Roll Stripe Films: Our line of reflective vinyl films offer unmatched quality for superior outdoor durability. Designed for use in transportation, architectural and general signage markings.

Two Color Pinstripe: Our line of premium grade pinstripe offers unmatched quality for superior outdoor durability. Designed for use in transportation, architectural and general signage markings. Available in various color and size configurations.

Warranty:
Technical specifications, recommendations and all other statements about these vinyl films are based upon tests believed to be factual but do not constitute a guarantee or warranty. All of these films are sold with the understanding that the Purchaser will use the vinyl films for the intended purposes in which they, (the films) were manufactured for, following the given parameters of each product.

Should these vinyl films fail to execute correctly after specified proper use and application within one year of shipment date, we will replace the defective material. We also require an actual sample of any vinyl film in question.

Our liability for a defective product shall not exceed the original price paid by the purchaser. Under no circumstances shall we be responsible for any incidental or other damages outside of our control of the manufactured vinyl films.

No additional warranties or implied warranties other than those stated above which are made expressly in lieu of all other warranties shall apply to any vinyl films sold by us. We specifically disclaim and exclude all other warranties.
